EXECUTIVE SUMMARY

University of Alberta International (UAI) is pleased to present the following proposal for a 2-week customized summer program in order to provide a unique global opportunity for students to explore our vibrant campus and province and to explore concepts related to global citizenship. This program is designed to meet the requirements of the Global Learning & Cultural Exchange course for undergraduate students at Beijing Institute of Technology (BIT).

The integrated intensive program will include 30 hours of academic lectures and field trips, 11 hours of review and project time, and a cross-cultural seminar consisting of 4 hours. Also included in the program are cultural-immersion activities and a recreational weekend trip to the Rocky Mountains.

Please review the following components of the proposed program:

1. Academic Component

The curriculum for this program will be customized to meet the content requirements of BIT's Global Learning & Cultural Exchange course, integrating classroom lectures and field trips related to lecture topics.

2. Project Component

The program will allow students to apply their learning by working on a presentation which will be delivered by the end of the two weeks.

Arts and Convocation Hall

Students on campus

3. Cross-cultural Seminar Component

An understanding of cross-cultural nuances is an essential part of becoming a global citizen. UAI's cross-cultural training seminars aim to help students broaden their understanding of Canadian culture and help them perform successfully both socially and academically in international settings.

4. Cultural and Recreational Component

While in Edmonton, students will also have the opportunity to explore Edmonton and interact with Canadian culture through planned social and recreational activities.

In addition to activities in Edmonton, an excursion to Banff National Park will be organized. This trip would include a 2-night stay in a hostel in Banff, transportation, and various activities such as canoeing and hiking.

Canadian Rockies Trip | July 13-14, 2019

Participants will go on a two-day Canadian Rockies trip on the weekend. The trip offers the opportunity to experience Canada in our country's oldest national park. Enjoy and explore the breathtaking scenery and beauty of the Canadian Rocky Mountains.

Transportation, accommodation, and daily breakfast are included in the trip. This trip also includes activities such as hiking, canoeing, and visiting the natural hot springs.

Accommodation

Participants will stay at Saint Joe's 4-room units. Wireless internet will also be available in all rooms.

CUSTOMIZED SUPPORT SERVICES FOR BIT STUDENTS

The University of Alberta International prides itself on the extensive suite of customized support services that are offered to ensure that participants' needs met before, during and after their program.

A comprehensive welcome and orientation program

A session to welcome students to the University of Alberta will be offered. This will include: welcome reception, a campus tour, setting program expectations with participants and introduction to academic and administrative staff.

Airport transfer

Students will be met at the airport and transported to their residence. At the end of the program, they will be picked up and transferred to the airport for their safe departure and return home.

Program completion ceremony and certificate granting

At the end of the program, a formal completion ceremony and reception will be offered to all participants. Those who meet all program requirements will receive a Certificate of Participation.

Assistance with preparation of documentation required prior to departure

Letters of acceptance will be issued to all participants for use when applying for documentation to come to Canada. The University of Alberta International employs two fully certified immigration advisors who will be available for consultation support whenever needed.

PROGRAM FEES & REGISTRATION

*All fees are based on 2019 costs and are subject to change for future programs.

The program fee is \$2,850 CAD per student and includes:

- 14-day on-campus program which includes:
 - Lectures on topics in Sino-Canadian studies
 - Academic fields trips and site visits
- Transportation to and from the Edmonton International Airport
- Shared accommodation on campus
- A pre-paid meal card with a \$200 CAD credit which can be used at a variety of on-campus vendors (food, books and other goods)
- Welcome and Farewell Luncheon
- Cultural and recreational activities within the Edmonton area
- A student coordinator staff member in addition to regular full time administrative staff support

- Two-day trip to the Canadian Rockies, including accommodation, transportation, daily breakfast, and activities

Registration and Fee Payment

The University of Alberta can invoice BIT for the total amount of the fee. If it is preferable for each participant to pay individually, an online registration and credit card payment process is available. An additional \$50 CAD registration fee will be added to each program fee for the online option.

Eligibility

The program would be open to cohorts of students or individuals aged 18 years or older currently registered in a degree program at BIT. It is recommended, but not mandatory, that participants have a minimum TOEFL iBT score of 70 or IELTS score of 535.

All participants are required to sign a Release of Liability and Assumption of Risk and Indemnity Agreement in order to participate in the program. More information about this agreement is available upon request.

OTHER INFORMATION

Health Insurance

Health insurance is not included in the program fee. The purchase of travelers' health insurance prior to departure to Canada that is valid for the entire duration of travel is the responsibility of each participant and is strongly recommended.

Immigration Information

Participants holding a Chinese passport will need to apply for a visitor visa to enter Canada, which takes approximately 2 weeks and is completed online.

Applicants who do not hold a Chinese passport are advised to visit the Immigration, Refugees and Citizenship Canada website to confirm what immigration documents will be required for entry to Canada and to understand the estimated application processing times.

Minimum Enrollment, Cancellations and Refunds

The minimum enrollment for the program is 15 participants.

Enrollment must be confirmed by no later than April 28, 2019. After this date, if the minimum enrollment is not met, the program will be cancelled and program fees will be refunded, less any applicable administrative fees.
